

Russian Revolution Webquest

The Russian Revolution of 1917 was one of the most explosive political events of the twentieth century. The violent revolution marked the end of the Romanov dynasty and centuries of Russian Imperial rule. During the Russian Revolution, the Bolsheviks, led by leftist revolutionary Vladimir Lenin, seized power and destroyed the tradition of czarist rule (on some site you will see it written as "tsarist"). The Bolsheviks would later become the Communist Party of the Soviet Union.

Use the History.com site (<https://www.history.com/topics/russian-revolution>) on the Russian Revolution to summarize each of the following topics.

When was the Russian Revolution? <i>(include some of the historical context in your notes)</i>	Russian Revolution of 1905	Bloody Sunday <i>(click on the link to get more details)</i>
